

USER MANUAL Eighty8 CBD PREMIUM VAPE PEN

Congratulations on your purchase of the Eighty8 CBD PREMIUM VAPE PEN. Before you use it... read the instructions and safety precautions with the Eighty8 CBD VAPE PEN vaporizer.

WARNING: Eighty8 CBD PREMIUM VAPE PEN products are for use by adults who have reached the age of majority and not by children or pregnant or breastfeeding women. If any part of the vaporizer is swallowed, seek medical attention immediately.

HOW TO USE: The device is immediately ready for use. To activate, insert the mouthpiece (end of the cartridge) into the mouth and pull. The indicator light will illuminate to indicate that the power source is on and active. The device is empty when it no longer produces steam after activation. The LED flashes 10 times when the battery is low.

CHARGING:

1. Plug the USB cable into the microUSB connector at the bottom of the vaporizer.
2. Plug the USB cable into the active port or AC adapter

3. The indicator light will come on to show that the device is charging. The light will remain on while the device is charging.
4. The indicator light flashes 20 times and goes out when fully charged. This device is equipped with overcharge protection, which allows it to remain connected to the mains until it is used.

CARE AND SAFETY:

Eighty8 CBD VAPE PEN is completely maintenance free. Only in the event that the battery is depleted and the cartridge shows through the sight glass that the contents of the cartridge have not been completely used up, then it would be necessary to recharge the device according to the instructions above so that 100% of the cartridge is used.
